RFP/Bid #: BC-02-27-03-29

Title: Purchase of Mobile Vacuum Trash Collector

M/WBE % Goal: 0.00% Aspirational Composite

The M/WBE office has performed an analysis of the bids submitted by Florida Municipal Equipment, Inc. and Tennant Sales and Service Company. Due to the specific specifications and requirements of the Mobile Vacuum Trash Collector, and the availability of the firms that produce the Vacuum Trash Collector, an M/WBE Aspirational Composite Goal was not placed in this bid. The M/WBE office supports the staff's recommendation of Florida Municipal Equipment due to the fact there is limited possibility for M/WBE utilization to achieve the participation level of services, and they are not subcontracting out any of the services.
